NARRATIVE PASTORAL COUNSELLING COURSE

This two year advanced programme course accredited by the University of Pretoria, is designed to expose students to practical pastoral care. Students will be equipped to facilitate hope and healing in a wide variety of pastoral situations. This course will also equip you to form meaningful relationships with friends and family and lead to a deeper understanding of life.

Who can attend?

The academic requirement to enrol for this course is a matric certificate and three years further education, or the equivalent in work experience (*Recognition of Prior Learning*). If you're not sure, please talk to us.

Modules presented during the two years:

- Narrative/story approach
- Pastoral theology
- Children and/or teenagers
- Abuse and dependency
- Relationships
- Trauma and bereavement
